## Collage Quilting

*Fabric Collage Creations - How to's for working with Fiberworks patterns - The awe inspiring designs by Laura Heine of Fiberworks have captured the imagination of so many of us. Either purchase a kit from us, or raid your floral fabric stash and come make a one of a kind blooming art quilt. # Mystery Quilt

*What's this "Mystery Thing" all about???: Clues - ie: instructions - will be revealed and posted in the hallway near the sewing rooms starting Friday evening. You can work away at your own pace through the weekend. At our fall retreat, we had over 20 ladies of all skill levels participating, and all competed their 56" x 72" tops by Saturday evening.*

**Cost: Free!** *If you would like a paper copy of the pattern, they will be available at a cost of \$5. Please let us know if you would like a paper copy before the weekend. Alternatively, you could take pictures of the clue posters if you prefer, or the entire pattern will be available on our website Sunday morning.*

**Fabriculous Mystery Quilt Fabric Requirements: (56" x 72")**

**\*One Jelly Roll, or 32 x 2 ½" WOF strips.** *Use one from your stash, or purchase a new one from the shop! We are expecting a order before the weekend! Also: This pattern is a great use for those leftover strips!*

**\*1.7m Background Fabric – This choice should be a high contrast to your strips – ie: if strips are medium-dark, choose a light background**

**\*1.2m Border Fabric – this could be one of your strip fabrics, or a complementary fabric.**

**Alternatively, you could use the same as your background fabric – this choice will give you a large fabric frame around your blocks.**
